Customer Challenge

The Saginaw Spirit Hockey Club, a prominent member of the Ontario Hockey League, plays a critical role in the development of future NHL players. Committed to being an integral part of the local community, the Spirit seeks partnerships with businesses who share their community-focused values and high standards. They were looking for a partner who understands the unique demands of professional sports, which operate intensively throughout the year, often with increased activity during the off-season. Additionally, they sought a partner who could provide high-quality services and a client-focused culture.

Applied Solutions

Applied met all the criteria for the Saginaw Spirit Hockey Club while also boasting extensive experience working with professional sports franchises. Applied's services and solutions helped the non-profit organization enhance their operational efficiency and security. By integrating advanced technologies and streamlining processes, Saginaw Spirit Hockey Club experienced significant improvements in their daily workflows. Applied provided a comprehensive approach that addressed various operational challenges, resulting in increased productivity and cost savings.
